WORKS FOR CHILD MUST KEEP WELL

Mothers in a Like Situation Should Read This Letter from Mrs. Enrico

Chicago, Illinois.—"I took Lydia E. Pinkham's Vegetable Compound for a serious trouble. I had tried doctors and all said the same—an operation. At first I only felt the pain on my left side, but later I seemed to feel it on both sides. I am a power sewing-machine operator and have a little girl to support. I work in a tailor shop and that line of work has been very slack this year and I am home part of the time. I do not like to take any chances, so I consulted my friends, and one lady said, 'Take Lydia Pinkham's medicine,' so I did. I have felt better right along and am in good enough health to go to work. I recommend your Vegetable Compound and Sanative Wash to all."—Mrs. Mary Enrico, 459 N. Carpenter St., Chicago, Illinois.

Often the mother is obliged to support her children and good health is necessary. Lydia E. Pinkham's Vegetable Compound is just the medicine you can depend upon. It is a medicine for women's ailments and the relief it brought Mrs. Enrico it may bring to you. Keep well by taking Lydia E. Pinkham's Vegetable Compound.

Children are spending the week with Mrs. Leslie Evans in Burnham wood.

Mrs. M. F. Arbuckle has returned from a two weeks' stay in Crab Orchard.

Studebaker
BIG-SIX SPEEDSTER

THE new Studebaker Four-Passenger Speedster is mounted on the Big-Six chassis with the same dependable 60 horse-power motor that made enthusiasts of thousands of owners during the most critical buying period in history.

Every item of its complete equipment and finished detail suggests ultra style and riding comfort.

The front seat is tilted at the correct angle for comfortable riding. An upholstered armrest divides the tonneau into

two individual seats which provide the comfort of an overstuffed armchair.

The touring trunk at the rear, with tray and suitcase compartments, is easy of access, because the two spare disc wheels are mounted on each front fender.

These disc wheels, complete with cord tires and tubes, are furnished without extra cost.

This latest Studebaker creation reflects Studebaker's seventy-year-old reputation for building fine vehicles.

In addition there is a handsome set of nickel-plated bumpers front and rear, a courtesy light on the driver's side, a built-in, thief-proof transmission lock which is operated by the same key that locks the ignition switch and tool compartment in the left front door. Ask for the Studebaker "Yardstick," a measure of the greater value that Studebaker offers
